

Undertaking for Odisha State Resident Data Hub (OSRDH) Data Protection and Privacy

I, Himansu Soumyajit Sahoo presently working as CMD in the Agriculture Department of the Government of Odisha understand and do hereby undertake that-

- IT Department, Govt. of Odisha on behalf of UIDAI is sharing sensitive personal data of the residents, i.e., State of Odisha as per the request of Agriculture Department. (hereinafter referred to as "Requester")
- That the shared data of the resident(s) will not be used other than the official purpose of seeding of beneficiary database and verification.
- The Requester shall follow strict IT security protocols and protection from unauthorized access. The machines accessing the OSRDH also have appropriate protection & control over spyware, malware, virus, worms etc.
- The Requester will be responsible to ensure safety and security of shared data at all times as per the security practices and procedures envisaged under the Information Technology Act, 2000 and 'Data Protection and Security Guidelines' published by UIDAI.
- The data shall not be shared with agencies other than the authorized officials of the Requester.
- Biometric data shall not be decrypted except at the time when it is being used.
- Physical, Network and Application level security for the software that uses this data shall be ensured.
- The data shall not be retained beyond the duration necessary to serve the purpose for which it was meant to be used.
- Failure to comply with any of the above obligations shall be deemed as a serious breach by the Requester and shall attract legal action under IT Act 2000.
