Date: 31.08.2019

To,

Dr. Purnendu Chatterjee
Chairman

M/s Haldia Petrochemicals Limited

Tower 1, Bengal Eco Intelligent Park (Techna)

Block EM, Plot No 3, Sector V, Salt Lake

PO: Bidhan Nagar,

District: North 24 Paraganas

Kolkata-700091

West Bengal

Sub: Proceedings of the 20th HLCA meeting held on 19/08/2019

Dear Sir,

The High Level Clearance Authority (HLCA) in its meeting held on 19/08/2019 has considered the proposal of M/s Haldia Petrochemicals Ltd (HPL) to set up a hydrocarbon processing complex comprising of light crude oil refinery, Aromatics complex and Ethylene Cracker Complex with a total investment of Rs. 78,225.00 Crores near proposed Subarnarekha port, Dist- Balasore and approved "in principle" the proposal subject to the following conditions:

1. The company will clear arrear dues if any, of any Government Department before allotment of land for the project.
2. No raw material linkage / assurance from the State Government shall be provided.
3. Adequate quantities of Ethylene and Propylene shall be made available as feedstock for downstream chemicals & petrochemicals development, in consultation with the State Govt.
4. C4 streams such as Butene-1 and Butene-2 etc. shall be made available as feedstock for downstream development
5. Common utilities such as steam, compressed air, industrial gases, power etc. shall be made available for use by downstream players - in line with similar developments around the world.
6. HPL will work jointly with the State Government towards development of downstream units and ecosystem in the region
7. The project should not be located on mineral bearing area or command area of any irrigation project.
8. The company should make adequate provisions for parking of the transport vehicles required for their operations to ensure that project related vehicles are not parked within 500 meters from any National Highway/State Highway.
9. The project shall not be located within 500 meters from the centre of the road on both side of any NH or SH or from the bank of any river / reservoir.

dc

10. The company will submit detail land use plan. Allotment of land to the project is subject to assessment by IPICOL through a central PSU consultant working in this field(considering the bench mark report where ever available) or as required by the company, whichever is lower. The company will follow the prescribed procedure of IDCO for final allotment.
11. The allotment of water quantity is subject to assessment by IPICOL (considering the bench mark report where ever available) or as required by the company, whichever is lower and as per norms of DoWR/IDCO.
12. The company shall strictly comply with the State employment norms, R & R Policy and other related policies of Govt. as applicable from time to time.
13. The company has to obtain all statutory clearances as may be required & abide by the conditions/stipulations made there under.
14. The company must take up CSR activities in the locality in consultation with the District Collector. Besides, the company shall comply with the extant rules and policy issued by Govt. from time to time.
15. The promoter(s) of the company shall not divest/dilute either directly or indirectly their shareholding to less than 51% until 3 (three) years from the date of commencement of commercial operation without the prior approval of the Govt.
16. Use of fly ash bricks is mandatory for all the construction that the company may take up.
17. Rain water harvesting and ground water recharge is mandatory for industrial establishment.
18. The company will submit its action plan for implementation of the proposed project to IPICOL within 90 days of the communication of approval of High Level Clearance Authority (HLCA).
19. Company to generate 5% of its power requirement through renewable energy sources.
20. The applicant company will not transfer the project to another company until the project goes into commercial production, unless:
 - i. the transfer of the project takes place under a court order or statutory pronouncement.
 - ii. When the change of name of the company is taken up under the provisions of Section 13 of the Companies Act, 2013.
