No. 4313 /CTE-1222/2018

Date 02/11/18

OFFICE MEMORANDUM

In consideration of the online application no. **2278681** for obtaining Consent to Establish of **M/s S.S.Granites Park** the State Pollution Control Board is pleased to convey its Consent to Establish under Section 25 of Water (Prevention & Control of Pollution) Act, 1974 and Section 21 of Air (Prevention & Control of Pollution) Act, 1981 for following plant facilities and production capacity:

Granite Slabs : 1076000 sq.ft/Annum

At-Lingipur(mouza-Lingipur),Post.-GosaniRoad,Paralakhemundi (in Plot Nos.741,726,727,738,739,740 of Khata No. 156/276 and Plot Nos. 741/1036, 727/1037,728,738/1038,739/1039,740/1040 of Khata No. 156/275 mentioned as per application form) in the district of Gajapati with the following conditions:

GENERAL CONDITIONS:

1. This consent to establish is valid for the raw materials, product, manufacturing process and capacity mentioned in the application form. This order is valid for five years, which means the proponent shall commence construction of the project within a period of five years from the date of issue of this order. If the proponent fails to do substantial physical progress of the project within five years then a renewal of this consent to establish shall be sought by the proponent.
2. The industry shall comply to the provisions of Environmental Protection Act, 1986 and the rules made there under with their amendments from time to time such as the Hazardous and Other Wastes (Management & Transboundary Movement) Rules, 2016 as amended from time to time, Hazardous Chemical Rules, / Manufacture, Storage and Import of Hazardous Chemical Rules, 1989 etc. and amendments there under. The industry shall also comply to the provisions of Public Liability Insurance Act, 1991, if applicable.
3. The industry is to apply for grant of consent to operate under section 25/26 of Water (Prevention and Control of Pollution) Act, 1974 & Air (Prevention and Control of Pollution) Act, 1981 at least 3 (three) months before the commercial production and obtain Consent to operate from this Board.
4. This consent to establish is subject to statutory and other clearances from Govt. of Odisha and /or Govt. of India, as and when applicable.

SPECIAL CONDITIONS:

A: GENERAL:

1. The unit shall abide by the provisions of E (P) Act 1986 and rules framed there under.
2. Land conversion document for industrial use shall be submitted to the Board.

3. This Consent order has been issued without prejudice to any legal dispute arises in future with respect to the ownership of the land and other land disputes.
4. In case of public complaint which is found genuine the facility shall be shifted to a suitable place and fresh consent to establish (NOC) shall be obtained.
5. The unit shall take up plantation along its boundary and available vacant area inside the premises.
6. No further expansion/modernization shall be carried out by the unit without prior approval from the Board.
7. The unit shall pay differential fees if any as per the Odisha Gazette Notification dtd. 16.07.2012 of Forest and Environment Department, Government of Odisha.
8. The industry shall maintain ambient noise standards as prescribed in the Noise Pollution (regulation & Control) Rules, 2000 as amended thereof.
9. The industry shall adopt adequate safety measures inside the plant premises.
10. The Board may impose further conditions or modify the conditions stipulated in this order during installation and/or at the time of obtaining consent to operate and may revoke this clearance in case the stipulated conditions are not implemented and/or any information suppressed in the application form.
11. The good housekeeping practice shall be followed up to control fugitive dust emission.

B: WATER POLLUTION:

1. Suitable treatment facility with adequate capacity shall be provided for the treatment of waste water generated from cutting, grinding and polishing sections and the treated water shall be reused back in the process and used for plantations inside factory premises.
2. There shall not be any discharge of wastewater to outside the factory premises under any circumstances.
3. Run off and wash water shall be collected, treated and used for plantations.
4. Domestic waste water shall be discharged to soak pit via septic tanks constructed as per BIS specification.

C: AIR POLLUTION:

1. The industry shall adopt wet cutting process and provide suitable dust suppression measures at potential dust generating points.
2. Ambient Air Quality shall be maintained inside the factory premises so as to confirm the national ambient air quality standard prescribed under E (P) Rule.
3. The internal road shall be metalled/black topped.
4. The height of the stack attached to the DG set shall be as per the following formula, $H = h + 0.2\sqrt{KVA}$ Where H = Height of the stack attached to the DG set in meters, h = Height of the DG room in meters, KVA = Capacity of DG set in KVA.
5. Acoustic enclosure shall be provided to the DG room to reduce noise level.

D: SOLID WASTE & HAZARDOUS WASTE:

1. The effluent sludge and other process or product rejects shall be disposed off inside factory premises.
2. These may be used for low lying land filling or road making without causing any environmental nuisance in its surrounding.
