Total Approved Investment Amount (in Crs): (Auto Calculated from the table)**Total direct employment (On Company Payroll)(in Nos):** (Auto Calculated from the table)**LAND AND UTILITY REQUIREMENT:****Proposed location of land**

District : Block :

Extent of Land required (in acre): By default system will calculate as per the IPR 2022 Clause no 4.5.1 j. ii)

Logic:

If Investment Amt is more than Rs 50,000 crs or Employment is more than 5000 then automatically system will select 2 acres. Similarly for other scenarios the land will be calculated by the system as per the below table.

Approved Investment in Odisha	OR	Direct Employment Generated in Odisha	Maximum Eligible Land at Concessional Rates
More than Rs. 50,000 crore		>5,000	2 acres
More than Rs. 10,000 crore		>1,000	1 acre
More than Rs. 5,000 crore		>500	0.5 acre
